It was only in the second half of the innings that the Indians were able to stage a bit of a comeback.Eventually, the Green Baggies scored a mammoth total of 329—the highest semi-final score in the tournament's 40-year-old history.And then, India's famed batting line up tried to fire up, faltered and then entirely failed.Barring India's captain Mahendra Singh Dhoni, no other batsmen could score even a half-century in the game and India lost by 95 runs. This was India's first loss in the entire World Cup.And so, India will have to hand their world cup—to either Australia or New Zealand—and wait for another four years before trying to claim it back.Also read: The first time India played Australia in Sydney, a notorious cricketing term was born News Pundits Women's Video Fixtures Results Tables Select a team All Teams Afghanistan Australia Bangladesh England India Ireland New Zealand Pakistan Scotland South Africa Sri Lanka West Indies Zimbabwe Derbyshire Durham Essex Glamorgan Gloucestershire Hampshire Kent Lancashire Leicestershire Middlesex Northamptonshire Nottinghamshire Somerset Surrey Sussex Warwickshire Worcestershire Yorkshire Chennai Super Kings Delhi Capitals Gujarat Lions Kings XI Punjab Kolkata Knight Riders Mumbai Indians Rajasthan Royals Royal Challengers Bangalore Teams Competitions Cricket on Sky Score Centre Bet Fall of Wickets 0 Warner 0.3ov 5 Labuschagne 3.1ov 33 Khawaja 14.1ov 47 Boland 22.3ov 59 Head 26.2ov 63 Smith 28.2ov 112 Green 43.5ov 121 Stare 46.1ov 151 Carey 55.1ov 155 Cummins 56.3ov Fall of Wickets 3 Warner 5.6ov 7 Khawaja 8.6ov 12 Smith 9.5ov 83 Labuschagne 22.1ov 204 Head 48.5ov 236 Green 57.6ov 246 Starc 63.2ov 252 Cummins 67.1ov 280 Carey 70.3ov 303 Lyon 75.4ov It all comes down to the MCG. Australia and India are one win apiece in their ODI series and, after a fractious few months of cricket, both will be desperate to take the victory. Don't miss a moment of the action - tune into an Australia vs India live stream from wherever in the world you are...India certainly got the better of the Aussies in the Tests, recording their first ever series win on Australian soil. But the hosts bounced back in the first of the ODIs in Sydney as their bowling attack - and, in particular, young Jhye Richardson shone - to give them a 1-0 lead.Australia vs India ODI cricket - when and whereThe Australia vs India international one day cricket three-match series takes place between January 12 and 18.The series decider takes place at the MCG in Melbourne on Friday, January 18 at 1.20pm local time. That's 7.50am in India and 2.20am GMT.Superstar Virat Kohli and the effervescent MS Dhoni helped India to level up the series in Adelaide. And now the series is beautifully poised as the teams head to Melbourne. Despite being the away side, the world's number one ranked one-day team have to be favourites - especially when you consider that Australia are still without suspended Steve Smith and David Warner.It's looking like an unmissable game of international cricket, and you can watch Australia vs India wherever you are in the world with a live stream. Below we'll talk you through how you can do that on your TV or via a stream to your favourite devices.Tennis fan? See how to also live stream the Australian Open 2019How to watch the cricket from anywhere in the worldBelow we have details of where you can watch Australia vs India in those two countries, as well as in the UK, USA and Canada. But outside of those territories, you may find it harder to get coverage.How to watch the cricket in AustraliaThe Australian broadcaster for the ODI battle between the Aussies and India is Fox Sports, a subscription service. But - and it's a big one - the cricket.com.au (opens in new tab) website and app is showing the matches absolutely FREE of charge. So as long as you don't mind watching on your laptop, phone or tablet, then there's no need to go and pay Fox for a sub.And if you find yourself outside Australia, you'll probably experience geo-blocking from many locations. That's where downloading and installing a VPN (opens in new tab) can help you, as you can change your laptop's location back to Australia and watch as if you were sitting at home.How to watch India vs Australia in IndiaThe Australia vs India match will be shown on the Sony Network (opens in new tab) in India. Sony Six & Sony Six HD will have English commentary, while Sony Ten 1 & Sony Ten 1 HD will provide commentary in Hindi. For those hoping to stream on a computer or mobile device, Sony Liv (opens in new tab) is the platform you need.How to live stream Australia vs India: UK live streamUsual UK cricket broadcaster Sky hasn't bothered with these encounters - probably something to do with the unseemly hour the match is being shown. So BT Sport (opens in new tab) has stepped in to show Australia vs India. If you subscribe you'll be able to watch the match live on your TV or you can live stream it to your phone or tablet using the app.Don't forget that you can still watch the coverage, even if you're out of the UK. You just need to use a VPN (opens in new tab) as described above.Australia vs India cricket live stream in North AmericaWillow TV, the official cricket live stream for the USA and Canada, will have live coverage of the action between Australia and India. The channel comes as part of numerous satellite and cable packages such as Dish (opens in new tab) and Sling (opens in new tab).Main image courtesy of cricket.com.au (opens in new tab)Compare the best VPN services spec-by-spec: CyberGhost VPNExpressVPNHotspot ShieldIPVanishKeepSolid VPN UnlimitedNordVPNZenMate (opens in new tab)CyberGhost VPNExpressVPNHotspot ShieldIPVanishKeepSolid VPN UnlimitedNordVPNZenMate (opens in new tab)CyberGhost VPNExpressVPNHotspot ShieldIPVanishKeepSolid VPN UnlimitedNordVPNZenMate (opens in new tab)
